

LIFEGROUP DISCUSSION STARTERS

◇ Review the 8 visions. Is there significance to this section immediately following the 8 visions? Why or why not?

◇ Vision 4 (3:1-10) & Vision 5 (4:15) concerned Joshua and Zerubbabel. How does this section/oracle tie both these visions together.

◇ Investigate and determine what tribe priests came from...what tribe kings came from?

◇ What do you learn about God from this passage?

◇ If the Lord doesn't expect you to make Him a gold/silver crown, how can you 'crown Him the King of kings' in your life?

◇ If you would ever hear of an ancient gold & silver crown found in or around the site of the Jewish temple, what would it cause you to think?
