

LIFEGROUP DISCUSSION STARTERS

- ◇ Discuss reasons why we do not completely trust God's goodness and promises.

- ◇ God was jealous for Jerusalem (1:14). What are some of the things of God for which you should be jealous? How should that look?

- ◇ (1:15) The Lord was angry with the nations. Why? Discuss what that means for His children today. What Scripture would you use to support your position?

- ◇ The Lord promised His people that He would be a protective wall around the city (2:4-5). In the U.S., do we often cling to our Constitutional rights to provide us protection instead of relying on the Lord? If so, how?

- ◇ Review as many of God's promises to His children in the time you have left. Attempt to connect the promise to a passage.
